

proc_control::ControllerIF

```
classDiagram
    class ControllerIF {
    }
    class PPIController {
    }
    PPIController --|> ControllerIF
```

The diagram illustrates a class hierarchy. At the top is a white rectangular box with a black border containing the text 'proc_control::ControllerIF'. Below it is a gray rectangular box with a black border containing the text 'proc_control::PPIController'. A solid blue arrow points vertically from the top center of the gray box to the bottom center of the white box, indicating that PPIController inherits from or implements ControllerIF.

proc_control::PPIController
